

2010 Mini Bash

Stafford to Palmview – 13th & 14th February 2010

Once again the **Fun Raisers Car Club Inc** is to host another mini bash. Our sponsors once again are Steelforce and Steelpower and we thank them for their continued support.

For those of you who do not know, the Fun Raisers Car Club Inc was established to give Variety Bashers more affordable car registration.

This is the clubs annual run and is a way of giving something back to the members while raising much needed funds for Variety Qld.

The course:

Day 1

This year we will be starting at Stafford City Shopping Centre and travelling to Tin Can Bay for an overnight stay. The accommodation is excellent and will be a fabulous place to have a few drinks or if you have your family with you, you will be very well accommodated in the self contained units. You will need to book your own accomodation.

Special prices for Bashers at the Sleepy Lagoon Hotel Motel.

Day 2

From Tin Can Bay to Palmview (Ettamogah Pub) will take us through pine forests and some beautiful country side with magnificent views. We will get to Ettamogah in time for everybody to travel home and not get there too late.

The start will be at McDonald's at Stafford City. 7:30 AM sharp

There are plenty of places to stop to party or experience the attractions along the way. You may be surprised who you visit on the way

The roads are great plenty of dirt some a bit rough but OK for the family car just take it slow.

This event is not restricted to just bash cars.

We prefer bash cars but if your bash car is not going, your day car is welcome, you will just have to wash it before work on Monday.
